ROAMREST EKKO

Compatible Replacement

Ultimate Comfort:

Experience unbeatable comfort wherever your travels take you with the RoamRest EKKO replacement mattress. This state-of-the-art mattress boasts a 5" (Transit) or 6" (Sprinter) thickness and is carefully crafted with our three or four layered foam design (Medium-Firm or Soft) for a restful night for sleepers of all types.

Design & Fitment:

This hand-crafted mattress provides the best replacement for EKKO RV's and are expertly tailored to fit – delivering an easy, simple swap out. Each section caters to the driver and passenger side unique cuts and angles, while the center section offers an extended sleep space or transforms into a handy nightstand.

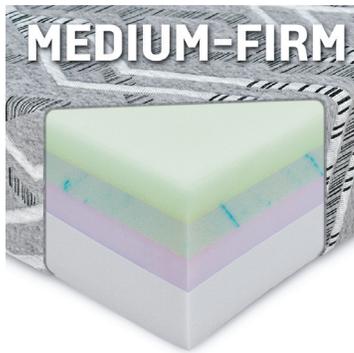

Durability:

Relax in ultimate comfort with our premium stretch top cover with its luxurious texture and breathable fabric. Our tough PVC coated polyester sides and bottom fabric provide fluid and abrasion protection, are rip resistant and low-slip too! For maintenance or deeper cleaning you can simply unzip the covers before washing by hand with a light soap solution then air drying afterwards.

Advanced Foam Technology:

Our EKKO replacement 5" thick (Transit) or 6" thick (Sprinter) foam mattresses offer extreme comfort with the Medium-Firm option featuring three soft upper layers that provide optimal cushioning and support, while the Gel Memory Foam insert effectively relieves pressure points for lasting comfort. Also included is the firm bottom layer to prevent any unwanted sinking into the bed platform below. And to top it off, we've covered it in an ultra-soft polyester top fabric, adding an extra touch of plushness.

NEW: The Soft version of our Winnebago EKKO replacement mattress offers a Transit 5" or Sprinter 6" thick foam with three-layers of softer foam for additional comfort.

Materials & Certification

REMOVABLE COVER: Soft-to-the-touch polyester top. Ultra durable low-slip bottom fabric with zippers.

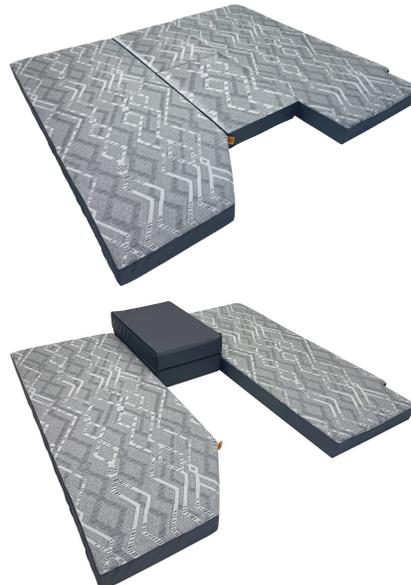

FOAM: All foam is CertiPUR-US certified which means: Made without ozone depleting chemicals; PBDEs, TDCPP or TCEP ("Tris") flame retardants; mercury, lead, and other heavy metals. Made without formaldehyde, or phthalates regulated by the Consumer Product Safety Commission. Low VOC (Volatile Organic Compound) emissions for indoor air quality (less than 0.5 parts per million).
