

Ultra-Comfort Bariatric Stretchers

Supports weights up to 500 lbs.

Nymed 6™ stretchable nylon cover accompanied with our multi-layered, ultra comfort, medical grade, high resiliency, urethane foam.

5" thick CertiPUR-US high resiliency foam provides comfortable support for individuals up to 500lbs.

- Gel infused memory foam top layer
- Conforming performance foam internal layer
- Supportive firm foam base layer

NEW! Non Slip Bottom Material

Color Identifier located at foot end.

Distinguish old mattresses from new or use for departmental identification. Standard yellow identifier (tagging) included, optional colors available upon request.

FirmEdge™ Passive Restraint System

- Provides support on both sides of the mattress during entry and egress

Nymed 6™ Healthcare Grade Cast Urethane Top Cover

- Water resistant
- Anti-bacterial, anti-fungal, non-allergenic
- Non-irritating, latex free

Vynmed™ Non Slip Bottom Material

- Anti-bacterial, anti-fungal, water & stain resistant
- Non-allergenic, non-irritating
- Phthalate free, latex free and odor resistant
- Keeps mattress on stretcher

Secondary Fluid Barrier

- Assembled between foam and cover provides a unique protection; if the outer layer is compromised, foam is protected

Removable Cover

- Heavy duty zipper on bottom allows for internal mattress inspection and easy replacement
- Includes fluid protection flap over zipper which directs fluids over and away from the zipper area

Nymed 6™ Cast Urethane Top Cover

Fluid Flap Over Heavy-Duty Zipper

Ultra-Comfort Bariatric Mattress Technology

Mattress Core

3 High Resiliency Foam Layers:

- Gel infused memory foam layer
- Conforming performance foam internal layer
- Supportive foam base layer
- All foam is CertiPUR-US certified which means:
 - Made without ozone depleters
 - Made without PBDEs, TDCPP or TCEP (“Tris”) flame retardants
 - Made without mercury, lead and other heavy metals
 - Made without formaldehyde
 - Made without phthalates regulated by the Consumer Product Safety Commission
 - Low VOC (Volatile Organic Compound) emissions for indoor air quality (less than 0.5 parts per million)

Secondary Fluid Barrier:

- Assembled between foam and cover
- Unique two-way protection: If the outer cover is compromised, foam is protected

Color Code Identifier (tagging)

- Distinguish old mattresses from new or use for departmental identification
- Standard yellow identifier included, optional colors available upon request

FirmEdge™ Passive Restraint System:

- Two 2” wide zones of ultra-firm foam provide support on both sides of the mattress during entry and egress

Removable Cover

- Nymed 6™ healthcare quality Cast Urethane top cover
- Vynmed™ durable healthcare coated vinyl bottom
- VynmedNS™ non slip bottom cover
- Heavy-duty zipper on end allows for internal mattress inspection & easy replacement
- Fluid protection flap over zipper, designed to direct fluids over and away from the zipper area
- Fluid proof, anti-bacterial, anti-fungal, stain resistant
- Non-allergenic, non-irritating, latex free
- Flame resistant, meets California Technical Bulletin 121 and CFR 1633
